RE: Availability of Water Service
819 Aquidneck Avenue, Middletown

Dear Mr. Chappell,

The Department of Utilities has reviewed the referenced request pertaining 819 Aquidneck Avenue , Middletown as proposed per your October 19, 2020 correspondence. The property at 819 Aquidneck Avenue currently is not a customer of the Newport Water Division (NWD). The purpose of this letter is to advise you that water service can be accommodated for the proposed improvements to the property. Water service will require excavation in Aquidneck Avenue for a new connection to NWD's water main.

Please be advised that this letter does **not** constitute approval of any aspect of the actual water service connections including size and location.

Very Truly Yours,

Julia A. Forgue
