To: Paul A. Croce, Chairman
Planning Board members

From: Ron Wolanski, Town Planner

Date: July 5, 2022

Re: **Public Hearing** - Request of Hart's Roofing & Construction on behalf of Beachside Holdings, LLC for waivers from certain design standards of the Middletown Rules and Regulations Regarding the Subdivision and Development of Land Section 521 for proposed renovation of an existing commercial building located at 43 Aquidneck Ave., Assessor's Plat 116NW, Lot 29

This matter was continued to the July 13, 2022 Planning Board meeting in order for the applicant to consider alternative exterior siding materials as requested by the Board. As of this date I have received no new information from the applicant. The applicant's initial request was to install new vinyl siding on an existing commercial building, which currently has wood siding.

Requested Waiver:

The applicant is requesting the following waiver from the Commercial Development Design Standards of Article 5 of the Middletown Rules and Regulations Regarding the Subdivision and Development of Land:

1. Section 521.2.C.1 – Materials: The applicant is requesting the use of non-traditional siding materials. The project does not meet the requirement for use of traditional materials such as wooden clapboards, shingles, patterned shingles, brick, or stone.

No zoning relief is required. The application does not meet the thresholds to trigger full Development Plan Review. As such, the Planning Board must consider the waiver request only, and make a decision to approve, approve with conditions, or deny the waiver request.

Waivers may be considered in accordance with section 908 of the subdivision regulations where; the literal enforcement of one or more provisions of the regulations is impracticable and will exact undue hardship; because of the peculiar conditions pertaining to the land in question; or where such waiver and/or modification is in the best interest of good planning practice and/or design, as evidenced by consistency with the municipality's comprehensive plan and Zoning Ordinance.

Please contact me with any questions regarding this matter.
