Dear Mr. Wolanski and members of the Planning Board:

I respectfully request that the meeting scheduled for February 8, 2023, in regards to the application for a storage facility on Valley Road, be re-scheduled. I ask this as an abutter who unfortunately will be out of State on that date. I own the residence located at 76 Valley Road, and will be out of State from 02/04/23 to 02/11/2023.

Please accept my apologies for the inconvenience this may cause. It would be greatly appreciated if it's possible to re-schedule.

Sincerely

Robert J. Sylvia
