RE: Water Service Availability
Assessor's Plat 107SE Lot 103B – 48 Valley Road

Dear Mr. Russell,

The Department of Utilities has reviewed the referenced request pertaining to the proposed construction of retail facility on the referenced parcel located in Middletown, RI

The purpose of this letter is to advise you that water service can be accommodated for the proposed improvements at the properties.

Please be advised that this letter does **not** constitute approval of any aspect of the water service connections including the size and location. An application for water service connection is required to be submitted for review and approval.

If you should have any questions/concerns please feel free to call my office at (401) 845-5600.

Respectfully,

Robert C. Schultz, Jr.
Director of Utilities
